

Antifreeze Tester Areotemp

Product number: 9672

Weight: 0.048 kg

EAN: 4026947096728

- pipette shape
- integrated floater
- for cooling liquid
- accurate measuring in all cooling liquid temperature ranges
- robust and break-proof execution
- for cooling circuits based on ethylene-glycol-(ethandiol)
- measuring range -10°C up to -40°C
