

## Radiator Pressure and Cooling System Tester | 32 pcs.

Product number: 6867

Weight: 4.886 kg

EAN: 4026947068671

- suitable for most standard vehicles
- for professional detection of leaks in cooling systems
- suitable for checking with a hand pump or compressed air system
- measuring range (hand pump): 0 - 2.5 bar (0 - 35 psi)
- measuring range (pressure regulator): 0 - 5 bar (0 - 70 psi)

### scope of delivery:

- hand pump with hose and quick coupler
- pressure reducer with safety valve for testing with compressed air
- adaptor for Mercedes Benz, Ø 60 mm inner thread
- adaptor for Audi A4, A5, A6 (new models), Ø 62 mm outer thread
- adaptor for Opel, Ford, Ø 48 mm inner thread

- adaptor for BMW, Ø 57 mm outer thread
- adaptor for BMW, Ø 49 mm inner thread
- adaptor for Volvo, Citroen, Fiat, Renault, Peugeot, Ø 45 mm inner thread
- adaptor for Audi, VW, Ø 43 mm inner thread
- adaptor for Honda, Toyota Ø 42 mm spring clip cap
- adaptor for Mitsubishi, Ford, Nissan, Mazda Ø 44 mm spring clip cap
- adaptor for Ford, Ø 52 mm for standard cap
- adaptor for Ford, Ø 56 mm for standard cap
- adaptor for Mercedes Benz, Ø 50 mm inner thread
- adaptor for Ford, Ø 49 mm inner thread
- adaptor for Ford after 2010
- adaptor for Toyota, Honda
- adaptor for Mitsubishi Ford, Nissan, Mazda
- adaptor for Nippon, Hino cap
- adaptor for Renault, Audi, VW
- adaptor for Volvo, Citroen, Renault, Fiat, Peugeot
- adaptor for Opel, VW, Ford
- adaptor for Volvo, Renault
- adaptor for BMW
- adaptor for Mercedes Benz
- universal spring adaptor, adjustable
- adaptor for Japanese and European vehicles, Ø 50 mm
- adaptor for Japanese and European vehicles, Ø 35 mm
- adaptor for Japanese and European vehicles, Ø 27 mm
- 2 universal adaptors
- U-shaped stainless steel clamp
