

Fuel and Compression Pressure Test Gauges Set | for Motorcycles | 11 pcs.

Product number: 74355

Weight: 1.884 kg

EAN: 4048769082444

- for measuring compression and fuel pressure
- suitable for spark plug threads: M8, M10, M12, M14
- for fuel line with internal diameter 6.5 and 8 mm
- test hose lengths: 220 mm
- burst pressure of the test hoses: 60 bar

scope of delivery:

- 1 compression pressure gauge, pressure scale up to 2000 kPa (300 PSI)
- 1 fuel pressure gauge, pressure scale up to 7 bar (100 PSI)
- 1 fuel pressure gauge, pressure scale up to 1 bar (100 kPa)
- 1 compression test adaptor M12 x 1.25

- 1 compression test adaptor M10 x 1
- 1 compression test adaptor M8 x 1.25
- 1 test hose for compression test M14 x 1.25
- 1 test hose for fuel pressure measurement Ø 7.9 mm
- 1 test hose for fuel pressure measurement Ø 6.4 mm
- 1 adapter for fuel pressure measurement Ø 7.9 mm
- 1 adapter for fuel pressure measurement Ø 6.4 mm
