

Cable Reel | 25 m | 3 x 1.5 mm² | 4 Socket Outlets with Sealing Cap | IP 44 | 3500 W

Product number: 3375

Weight: 4.3 kg

EAN: 4026947033754

- suitable for short term outdoor use
- protected against foreign material and splash-proof
- plug and socket outlets are safety type
- socket outlets with sealing cap
- with thermal protection switch, triggered when the cable temperature is too high
- nominal voltage: 230 volts
- ampacity (rolled up): max. 4.34 amps
- ampacity (unrolled): max. 15.22 amps
- power (rolled up): max. 1000 watts
- power (unrolled): max. 3500 watts

- number of sockets: 4 with sealing cap
- plug shape: straight
- protection class: 1
- plug type: CEE 7/7
- cable type: H05RR-F
