

Water Level | flexible | 600 mm

Product number: 70116

Weight: 0.417 kg

EAN: 4048769057695

- covers many areas where a conventional, rigid water level does not work
- with 4 joints and 4 spirit levels (horizontal - vertical - 45°)
- for exact alignment when installing corner shelves etc.
- easy to bypass cables, sockets or pipes due to folding mechanism
- easily adapts to uneven surfaces, edges, corners and curves
- robust and dimensionally stable material
- fits in every tool bag
- with two hanging holes at the ends for hanging on the workbench or tool holder
- segment length: 120 mm
- accuracy: 1.0 mm / m
