

Dead Blow Hammer | Soft Head | Ø 50 mm

Product number: 6823

Weight: 0.916 kg

EAN: 4026947068237

- for car body work and tire service
- with square bar steel handle
- serrated surface for secure grip
- non-sparkling due to uniformly rubber cover
- special absorbing effect through steel balls in the hammer head
- substantially higher blow effect than in conventional hammering
- for conservative working with less recoil
